

## **CSX eBusiness invites you to *Connect with ShipCSX!***

Whether you connect with us over the phone or email, online or in-person, our team is committed to helping you get the most out of your ShipCSX experience.

Reach out today to learn how to make ShipCSX work for you with tools like:

- Nationwide trace: See your shipment's movement anywhere in North America
- Shipping Instructions: Correct your EDI bill of lading directly from the ShipCSX website
- ShipCSX Mobile: Submit a plant switch or email trace results to anyone right from your mobile device

With over 80 tools, find the tools that complement your business needs. *Connect with ShipCSX!*
